

Coyote Control Co

Neighbor Permission Form · California Fish and Game Code § 3004

619-891-0441 · info@coyotecontrolco.com · coyotecontrolco.com

California law requires written permission from the owner or occupant of any home, barn, or outbuilding within 150 yards of where coyote removal services take place. Each neighboring property within that distance needs its own signature below.

Property where coyote removal will take place

Property owner name

Property address

Permission statement (applies to each neighbor who signs)

I understand that Coyote Control Co has been hired to remove problem coyotes from the neighboring private property listed above, and that this work may take place within 150 yards of my home, barn, or outbuildings. Under California Fish and Game Code § 3004, I give my express written permission for Coyote Control Co and its licensed personnel to carry out coyote removal services, including the discharge of a weapon, within 150 yards of my home, barn, or outbuildings, for work on the property listed above only. This permission does not allow entry onto my property.
